

Collect, manage and report special education data for compliance and student-centered decision making

WHALE SHARK
Software

EC-AID

Exceptional Children
Accommodation &
IEP Data Tracking

EC-AID allows you to gain control and visibility to your IEP implementation data through simplified data collection and reporting.

By putting IEP progress monitoring in the palm of a teacher's hand, EC-AID enables staff to consistently document goal progress, accommodation utilization, service delivery, & behavior, and demonstrate IEP implementation with fidelity.

Our reports have enabled schools and providers to successfully demonstrate IEP goal progress monitoring and accommodation delivery in state audits and litigation.

EC-AID provides increased accountability to parents, improves fidelity of IEP implementation through data collection, supports the Special Education team by including all staff in progress monitoring, reduces time required by staff to generate reports, benefits students with better data for decision making, and increases IDEA and state compliance.

The screenshot displays the EC-AID web portal for Briscoe Elementary. The top navigation bar includes 'EC-AID', 'Dashboard', 'Reports', 'Admin', 'Help', 'Balance Due \$76.03', 'Hello', and 'Steve'. A search bar is present with 'Search All Users' and 'Search All Students' options. The main content area features a table with the following data:

Student Name	Grade	ID	Eligibility	Next IEP Date mm/dd/yy	Next Re-Eval Date mm/dd/yy	Case Manager
Winner, Danny	7		Sample Goals	03/15/2018	03/15/2019	Carter, Ophelia
Adams, Jonas	4	24601	optional	04/20/2018	03/31/2019	Carter, Ophelia
Wolff, Petros	5	1234		05/25/2018	02/25/2018	Carter, Ophelia
Bramson, Artemis	2	6789		05/25/2018	02/25/2018	Carter, Ophelia
Barber, Gregory	1			05/25/2019	05/25/2020	Carter, Ophelia
Connor, Megan	7			04/24/2020	10/24/2021	Carter, Ophelia

Below the table, it states 'Showing 1 to 6 of 6 entries' and 'CONFIDENTIAL INFORMATION · UNAUTHORIZED ACCESS PROHIBITED © 2016-2019 · Whale Shark Software, LLC'. The left sidebar contains navigation options: My Preferences, My Student Blocks, My Notification Days, Calendars, Students (selected), Promote, Assignment, Subjects, Users, Swap, Assign Roles, Schools, Behaviors, and Reactions. The right sidebar lists: Students (Accommodations, IEP Goals, Service Logs, Student Listing, Archived Students, Teacher Assignment), Accommodations (My Assigned, Assigned, Offered), IEP Goals (Assigned, Measurements, Expired, Notifications), and Other (Service Overview, User Listing, Health Check).

The screenshot shows the 'EC-AID User Guide' page. The header includes 'EC-AID', 'Dashboard', 'Reports', 'Admin', 'Help', 'Hello', and 'Heather'. The page title is 'EC-AID User Guide'. The main content area is titled 'What is EC-AID?' and contains the following text:

EC-AID is a secure, low-cost solution that complements your IEP software providing data collection for goal progress monitoring, accommodation use tracking, and service delivery logging. EC-AID distributes the data collection and entry burden among those who directly interact with students through the use of automated reminders, mobile apps, and web browser interfaces. Collected data is immediately available on reports for the special education team. EC-AID enables teams to easily make data-driven decisions about student IEPs.

EC-AID offers a free trial period with no commitment. After the trial, charges accrue based on the number of students configured at \$1 per student per month. There is no charge for users, the mobile app, extra features, etc.

EC-AID is made by Whale Shark Software, LLC and more information can be found at www.whalesharksoftware.com.

The page also features a 'Whale Shark Software' logo and a sidebar with navigation options: Overview, Administration, Users (selected), Schools, Students, Goals, Accommodations, Service Logs, and Reports.

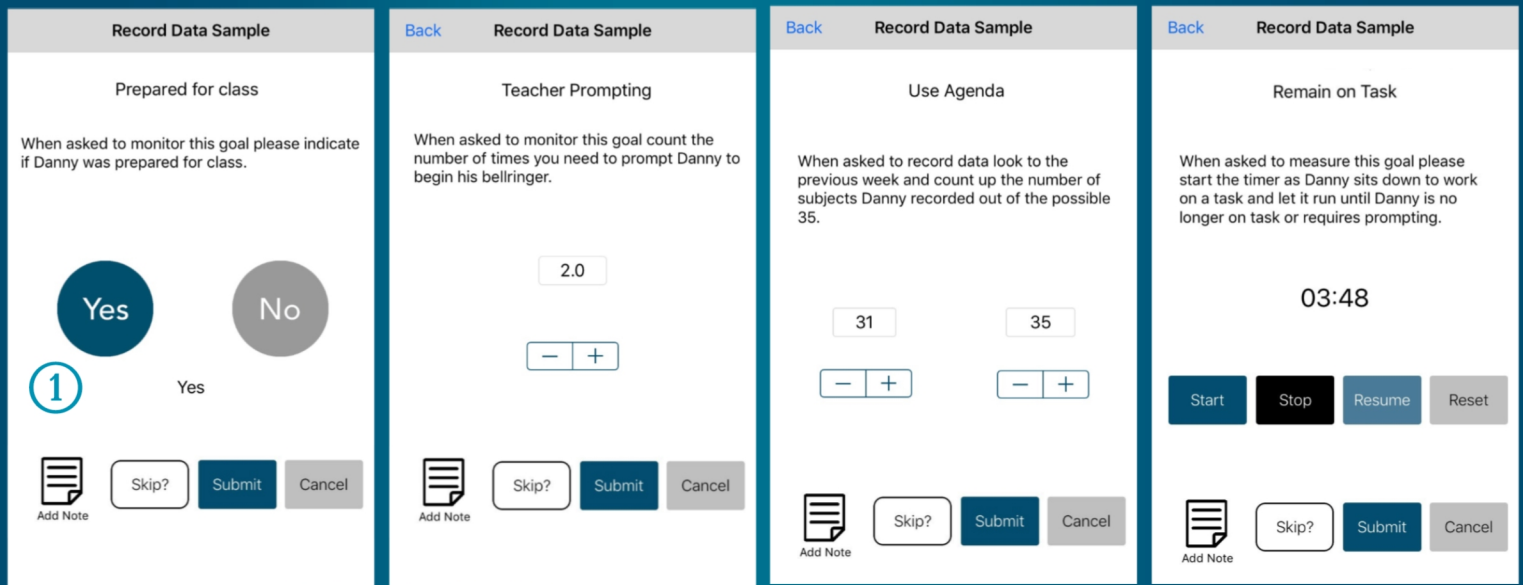

EC-AID Web Portal

EC-AID's full functionality - including account setup, managing calendars, associations, & preferences, and all reporting - can be accessed through a computer web browser. There is also a thorough User Guide and video tutorials available here.

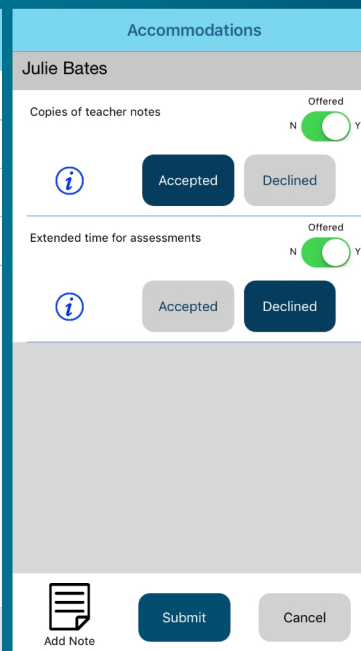

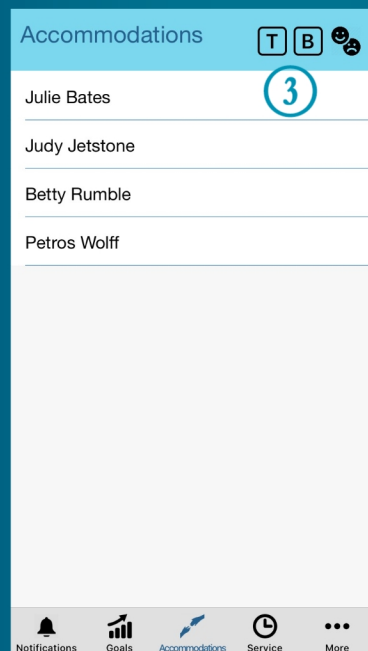

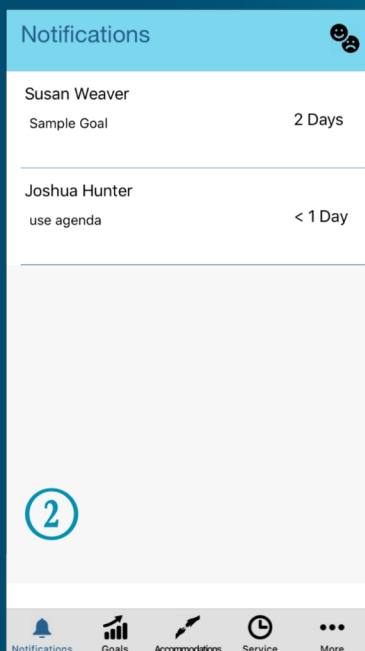

We are proud to partner with PowerSchool. Our integration of EC-AID and PowerSchool can ensure that as changes occur with your students, staff and calendars, EC-AID is kept in sync. EC-AID supports Single Sign-On (SSO) directly from within PowerSchool, enabling seamless access to EC-AID administrative functions and IEP Goal Progress Monitoring, Accommodations, Service Logging, and Behavior Reports directly from Student Information Pages.

More meaningful data in less time

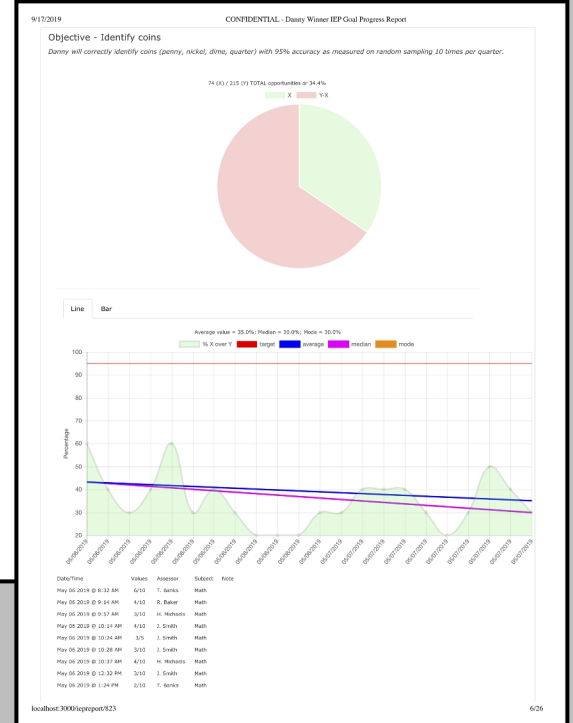

Mobile App (iOS and Android)

- ① Supports multiple goal measurement types
- ② EC-AID distributes data collection responsibility among associated staff and prompts when monitoring is due.
- ③ Sort accommodations by class block and filter for testing or classroom accommodations.
- ④ Document student acceptance/refusal when offering accommodations

Helping teachers get back to teaching

Progress Reports

IEP Goal Reports document IEP progress monitoring including date, staff member, subject and optional comments.

Accommodation Reports document accommodation delivery including date, subject, staff member, student acceptance/rejection of accommodations verified with a signature, and optional comments.

Navigate your ocean of IEP data with ease

Service Delivery Logging

Back **Record Delivery**

Math- 5x/week 30 min- Special education

A certified special education teacher will provide targeted math instruction in the special education classroom

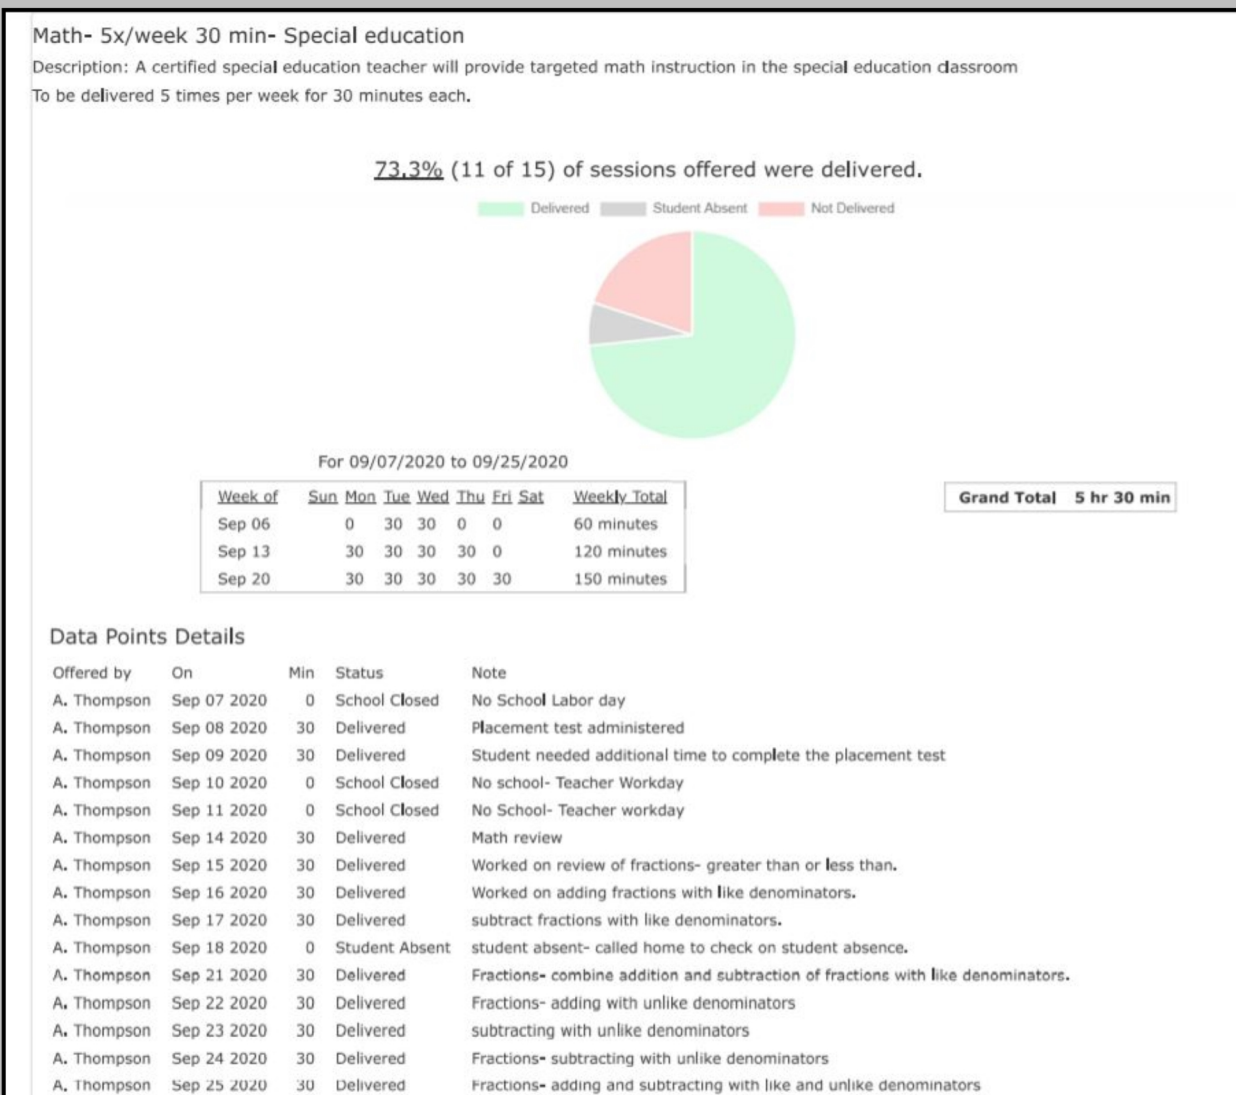

Status **Delivered**
Student Absent

Duration (min) 30

Add Note

EC-AID can be used to track service delivery and ensure that students are receiving all minutes listed in their IEPs. Providers can also track sessions missed due to absences, changes to the school day schedule, or other reasons. Service providers and itinerant teachers will appreciate being able to track travel time and mileage right in the app!

Service Delivery Reports provide a weekly summary of service delivery times as well as a detailed session log including date, staff member, session time, status, and optional comments.

Ensuring compliance while supporting student growth

NEW Behavior Tracking

Introducing...

B+

There's always more to behavior

We are currently rolling out B+, our behavior tracking software, as an integrated part of EC-AID. This feature allows associated staff to capture the type of behavior, setting, antecedents, consequences, and description. Our unique correlation engine produces reports that illustrate trends and uncover hidden cause and effect.

Behavior Incident Reports present data in various ways to help correlate the behavior with settings, antecedents, and time of day.

Behavior Profile									
Strengths:	will follow directions								
Symptoms:	low blood sugar, high blood sugar								
Antecedents:	work too difficult, time is unstructured, bullying								
Warnings:	stands up, paces								
Prevention:	redirect								

Antecedents -- by Behavior	Incident Correlations										
	Task too difficult	Problem in Previous Class	Task took too long	Hunger	Unstructured time	Bored with task	Group work	Mixed Instruction	Flex. Skill	Transition	Change in routine (i.e. Number of Incidents)
Spitting	1	1	1	2			1	1	1	1	4
Kicking	1	1	2	2							3
Skipping class	1	1	1								2
Throwing things in the classroom					1						1
Flipping desks, chairs, bookcases, etc.	1	1	1								1
Intimidation/Threat to staff			1								1
Pulling hair	1				1						1
Fighting		1									1
Bullying			1								1
Disrespect											1
Total	4	4	4	2	1	1	1	1	1	1	1

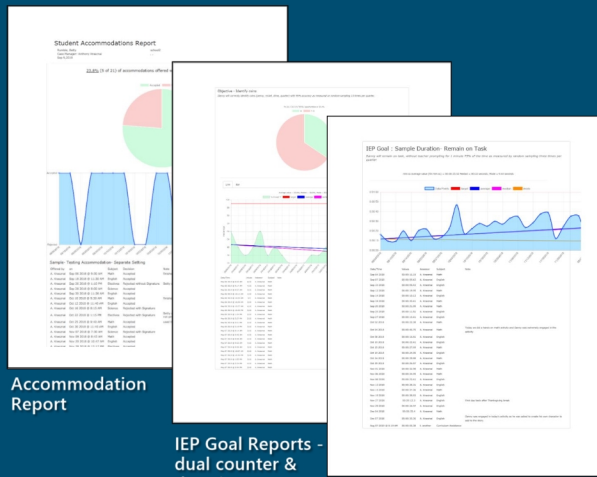

- Matrices show:
- antecedents by behavior
 - settings by behavior
 - consequences by behavior
 - antecedents by setting

Incident Details							
When	by	Observed Behavior	Cnt	Setting	Antecedents	Consequences	Note
Sep 01 2022 @ 7:00 AM	L. Tryon	Spitting	5	Lunch	Unstructured time	Conference with parent Conference with student Detention (Lunch)	
Sep 02 2022 @ 8:00 AM	L. Tryon	Spitting	6	Lunch	Unstructured time	Conference with parent Conference with student Detention (Lunch)	
Sep 02 2022 @ 11:07 AM	L. Tryon	Spitting	6	Math Class	Task too difficult	Behavior Assignment Detention (after school)	
Sep 07 2022 @ 10:00 AM	L. Tryon	Throwing things in the classroom	4	English Class	Bored with task	Complete missing / incomplete work Conference with parent Detention (after school)	
Sep 11 2022 @ 8:52 PM	L. Tryon	Skipping class	1	Math Class	Problem in Previous Class Task took too long	Conference with student	
Sep 29 2022 @ 12:23 PM	L. Tryon	Flipping desks, chairs, bookcases, etc.	5	Math Class	Task too difficult Task took too long Hunger	Conference with parent	
Sep 29 2022 @ 2:08 PM	L. Tryon	Kicking	6	Lunch	Hunger Problem in Previous Class	Detention (Lunch)	note
Oct 13 2022 @ 3:00 PM	L. Tryon	Intimidation/Threat to staff	1	Hallway	Task took too long	Conference with parent In School Suspension	He was in a rush to leave and the teacher needed to talk to him

Behavior is communication

More meaningful data in less time

From your teachers' hands to the IEP meeting
with a click of a button

Features of EC-AID

- end-to-end data encryption
- role-based permissions
- web browser-based access
- iOS and Android app-supported data collection
- IEP goal progress monitoring and reporting
- track objectives within IEP goals
- rotate data collection among staff
- automated data collection prompts
- automatically graphs trends against targets
- document accommodation delivery
- document attempts to collect data or provide accommodations when student is absent
- track service delivery hours
- track behavior including antecedents, setting, and consequences
- provide commentary on reports
- multiple schools and district support
- exceptional customer service

Benefits

- FERPA-compliant data privacy
- facilitates IDEA compliance
- IEP goal progress reports
- encourages writing measurable IEP goals
- ongoing consistent progress measurement
- documented accommodation delivery
- documented service delivery
- compensatory education determination
- documented behavior incidents
- unique behavior correlation reports illustrate trends and uncover hidden cause and effect
- administrative insights
- data collection with fidelity
- increased instruction time
- data driven conversations and decisions
- available from anywhere
- on-demand, informative reports to share with parents
